MEET THE BAND!

This summer one of Korea's up-and-coming bands WhitePurple will be making their way to Habbo. The group debuted back in 2020 and, after a rough start, they gained a lot of attention for their dancing and singing abilities by sharing videos on YouTube and hosting livestreams to connect with their fans (one of them lasting a record total of 6 hours!). After 2 comebacks since their debut, they are ready to take on new challenges and finally meet their growing fanbase in person for the very first time.

This June, the band is set to hold their first in-person concert and they need all the support they can get. Join the WhitePurple fam and help the band become one of the biggest names in K-Pop!

A NIGHT IN K-TOWN

My name is Joe Bagsready and I want to invite you to explore Korea's nightlife and discover the best places for foodies!

K-Town is a beautiful city that lights up at night. There are many great places to visit but you can also find Korean Drinks Machines all over town for a quick refreshment. You absolutely must try the Korean Drinks from one of them! Also, one of the most delicious things in K-Town is definitely the Korean barbecue, you can enjoy it either at your table or outside in the street. One of the best places to find Korean barbecue in town is Korean Back Street Bundle. Here you can have a great meal underneath the city lights.

The first must see place you need to check out is Korean Restaurant. This place is amazing and the food tastes like heaven. Their speciality is the colourful Korean Kimbap, but you will love everything on the menu.

Looking for something sweet? The cute Dessert Cafe is always open and has the sweetest and most delicious desserts in town. But, if you are a fan of chocolate you can try the Chocolatier Shop. With its traditional style, a visit there can feel like time travel.

Now you have the complete guide to all of K-Towns delights! Enjoy!

WHERE IS FRANK?

With so much happening in K-Town we seem to have lost Frank... Can you help us find him?

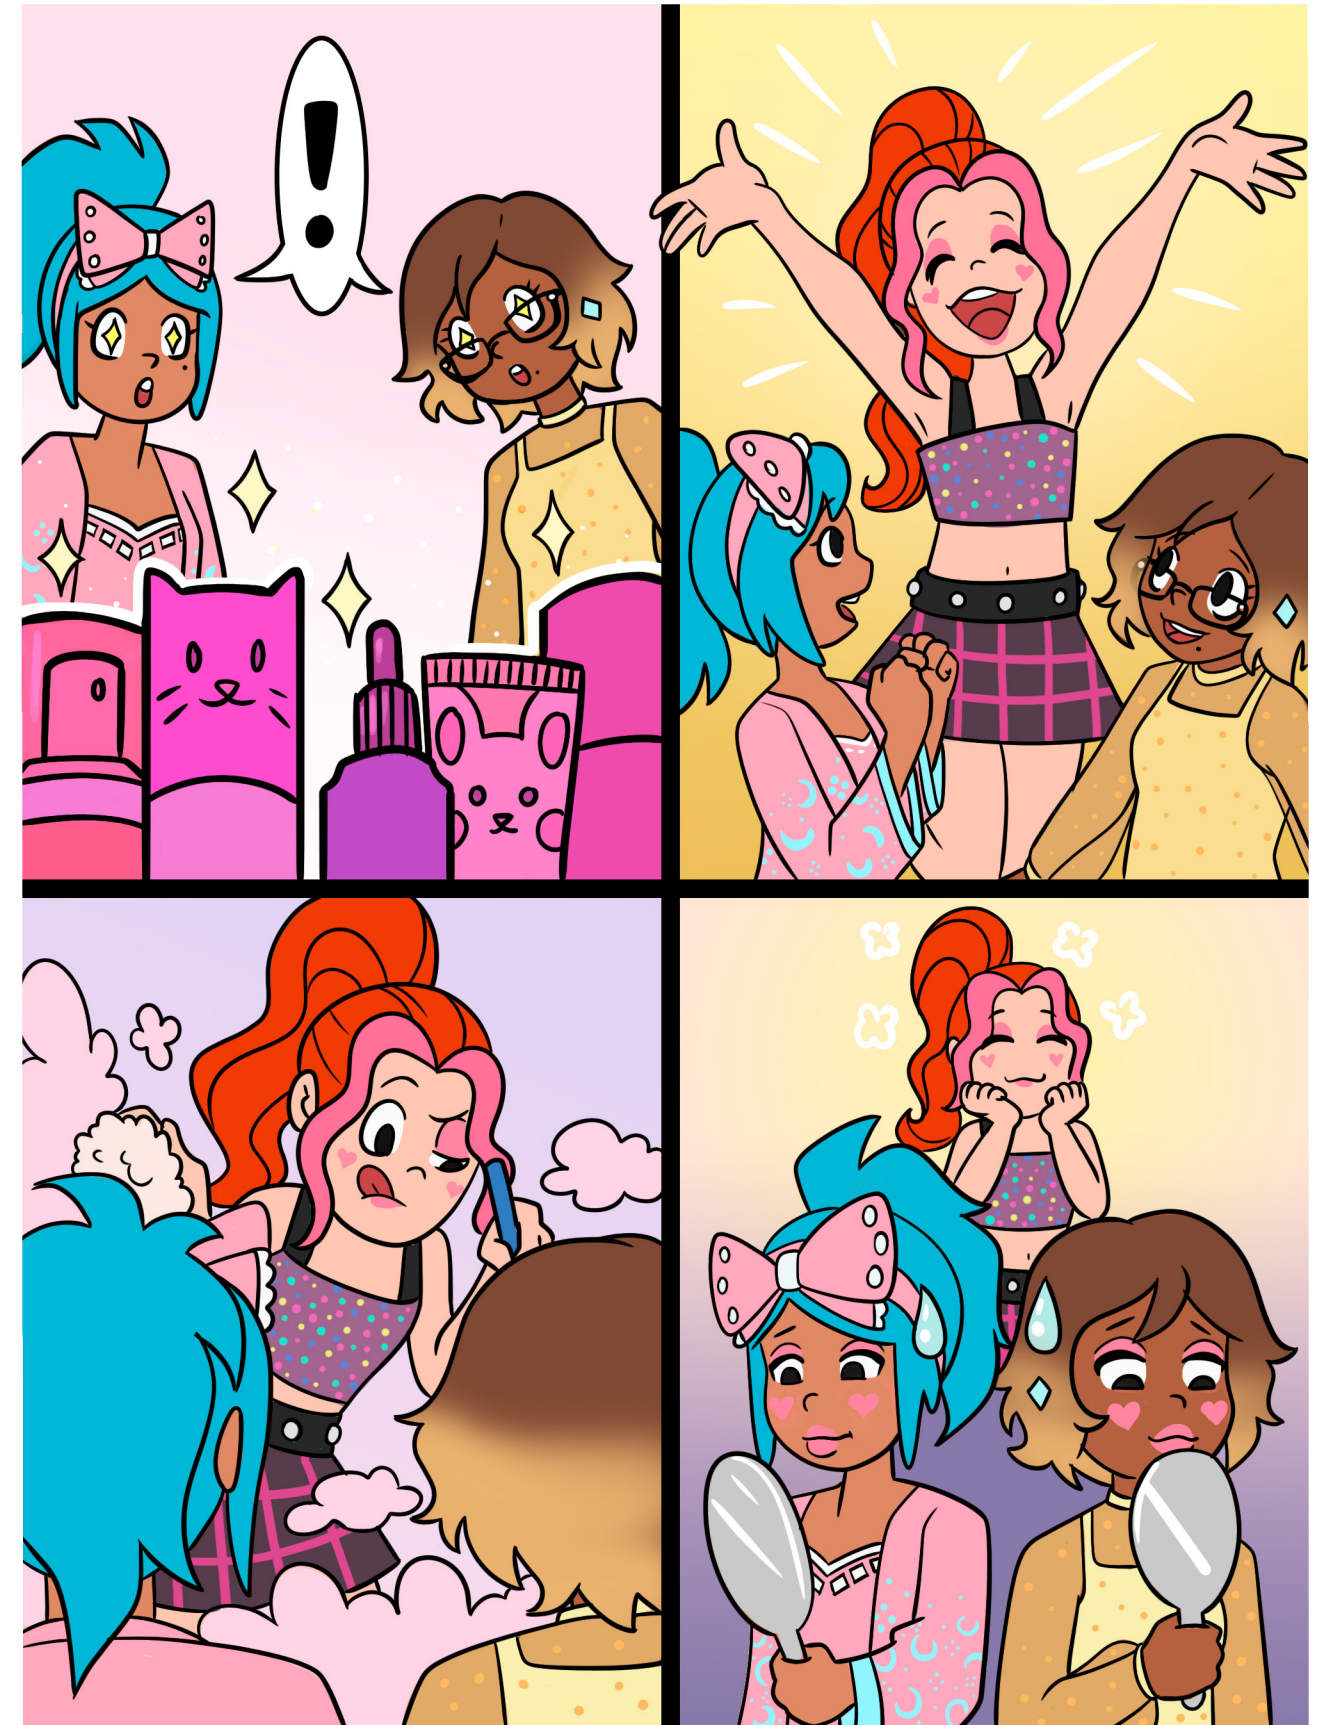

Someone sent us this amazing postcard of K-Town, where Frank was last seen. Look carefully and see if there's anything that catches your eye.

Stay updated with our Twitter account... You never know, there may be some cool prizes for those who help find our dear Frank.

IN OUR LAST EDITION OF THE PIXEL...

April in Habbo was all about nature and sustainable lifestyles to take better care of our planet. We asked the Habbo communities to participate in a very special competition where you could create a new kind of hybrid tree. Check out the most incredible trees we received:
